About Law Week – Monday, 16 May to Friday, 20 May 2016

Embracing the law as part of our daily lives is important. From knowing our rights under the law, creating employment contracts, how a mediation works, through to setting up a business, having a will prepared or simply knowing what to do and where to go for legal assistance, the law plays a vital role.

Each year, Law Week showcases events which provide the opportunity for the community and the legal profession to engage in open dialogue and build a shared understanding of the role of law in society. It is an excellent opportunity for the profession to promote its role in enabling an open, independent and unbiased judicial system.
